FOR IMMEDIATE RELEASE:

Director of Transportation Announced

We are pleased to announce Mr. Walter “Scotty” Johnson as our new Director of Transportation for the Montgomery County School District.

Mr. Johnson has 15 years of experience working in public schools transportation. Throughout those years, he served as the Transportation Director for both Menifee and Morgan County Schools. Additionally, Mr. Johnson had a successful teaching career prior to moving into transportation.

“Having served as transportation director in two different school districts, Mr. Johnson brings a wealth of experience to his new role in Montgomery County,” said Superintendent Dr. Matt Thompson. “We are excited to welcome him as a part of Montgomery County Schools.”

When asked how he felt about his new role, Mr. Johnson shared, “My priority as Transportation Director for Montgomery County Schools is to use my many years of experience to provide the district with the safest and most efficient transportation for our students. I plan to achieve this by communication and coordination with our excellent transportation staff. I will work closely with our Administration to ensure we provide high standards of training, maintenance, and communication to maintain the safest environment for all students and staff.”

Mr. Johnson and his wife, Susan, reside in Frenchburg. He has one son, two step-sons, and three grandsons.

He will begin his employment with the district later this month.
