FOR IMMEDIATE RELEASE:

Napier to Attend Executive Leadership Training

Camargo Elementary Principal, Dudley Napier, has been selected to participate in the Kentucky Chamber Foundation's Leadership Institute for School Principals. Mrs. Napier will begin a year-long executive level leadership training course usually reserved for the nation's top CEOs. The program is customized to meet the specific leadership development needs of school administrators and is a partnership between The BB&T Leadership Institute and the Kentucky Chamber Foundation.

Mrs. Napier, one of 50 selected principals, will begin attending classes this summer at the BB&T Leadership Institute in Greensboro, North Carolina.

Elementary, middle and high school principals from across Kentucky representing both public and private schools applied for the institute, which is supported by generous donations from businesses across the state.

"It is an incredible honor to have been selected to participate in the Leadership Institute for Principals," Napier said. "I am excited and look forward to the opportunity to grow and learn as a leader and to further support Camargo Elementary students, staff, and families."

Mrs. Napier has 11 years of experience in education, all at Camargo Elementary. She has held different positions including teacher, reading interventionist, and assistant principal, and has just completed her first year as Camargo Elementary Principal.
