

Teen & Parent Safe Driving Forum

March 21
7 pm

Car crashes are the #1 cause of death among teens.

**MCHS
Auditorium**

The Montgomery County Health Department will host a Teen and Parent Safe Driving Forum at 7 pm on Tuesday, March 21st in the MCHS Auditorium to help both teens and parents develop tools for younger drivers to use to stay safe behind the wheel. Guest speakers will discuss Kentucky's graduated driving law, the risks of distracted driving, and the consequences of driving under the influence.

Buckle up...

because 66 % of teen passengers who die in crashes are not wearing a seat belt.

Avoid distractions...

because 58% of teens involved in traffic crashes are distracted.

Don't drink & drive...

because about 25% of car crashes involve an underage drinking driver.
