

MSE would like to invite you to an Internet Safety class on **Thursday, February 23rd from 6-7pm** in the MSE library. Benny Vincent from the Kentucky Center for School Safety will be teaching the class. This class is for parents only. There will be a room with supervision for students where they can watch a movie. Pizza will be provided for the children only. The purpose of this class is to raise awareness and provide information on how to safeguard your children from the dangers of the internet and social media.

The classroom with the greatest turnout will receive a pizza party.

To help us better prepare for the evening, we ask that you complete this portion and **return it to the school by Monday, February 20th**.
