Principal's Message

Camargo Families,

We are so proud of each of our students and their families for their continued hard work during this school year. As we welcomed our hybrid students back into the building this past month, we want to remind you all of just a few items:

If you are picking up your child in back lot, please make sure your car tag is visible in the rearview mirror of your vehicle.

As we enter February and March, please send a coat/jacket with your child to school daily, as outdoor mask breaks (weather permitting) are integrated into your child's schedule.

For our virtual students, please let us know if we can assist you all in any way.

As always, we are available to answer any questions and address concerns as the school year continues. Please contact us at 859-497-8776 between the hours of 8:00-3:00 should you have any questions.

Dudley Napier, Principal
Sarah Farrow, Assistant Principal
