Principal's Message

Camargo Families,

We have had an amazing September here at Camargo Elementary! We are even more excited for this upcoming month. We have had a successful first full week of in-person instruction for our hybrid students. Our staff has worked so incredibly hard to make both MyMoCo and Hybrid learning the best possible experience for our families and students. We want to thank you for your continued support and thank you for your patience as we all continue to plan and make adjustments to make this school year the best it can be!

Just a few reminders:

- If you are picking up your child in the back lot, please make sure you have a car tag and the car tag is visible on the rearview mirror.
 - There will be no transportation changes accepted after 1:30 each day, as this allows adequate time to communicate these changes to teachers and students.
- We look forward to continuing to work with all Camargo Elementary Families and students this school year! Please contact us if you have any questions or concerns.

Return to in-person instruction

Below is the plan for allowing elementary students to return to in-person (hybrid) instruction from virtual for the 2nd nine weeks.

1. Virtual teachers will be contacting families to see if they would like to switch to hybrid – the start date would be October 26th (the first day of the 2nd nine weeks).

2. Virtual parents must notify your child's teacher by October 14th. This will allow schools to plan and make any adjustments in the numbers of hybrid/virtual teachers.

*Reminder – this is only for elementary students.

Please let us know if you have any questions.
