The Coronavirus pandemic has had a profound effect on the lives of many families in Montgomery County. As a result, the Montgomery County Board of Education has elected to use a portion of the Elementary and Secondary School Emergency Recovery (ESSER) COVID-19 relief funding from the federal government to pay for basic school supplies for all students in preschool through 12<sup>th</sup> grade for the 2021-2022 school year. We hope this will help ease the financial burden for our families. Students will have basic supplies provided for them by their grade level including:
