

MONTGOMERY COUNTY SCHOOLS

2020-2021 RE-ENTRY PLAN (IN-PERSON)

1. Social Distancing

- Social distancing of 6 feet will occur whenever possible
- Reduced class sizes when possible
- Social distancing floor markings will be placed in common areas
- Limit all non-essential visitors to schools
- No sharing of supplies and reduced materials traveling home to school
- Professional learning will be provided to staff regarding social distancing
- Each school will communicate building specific expectations for arrival and dismissal

2. Mask Expectation

- All students (K-12) and all staff will be required to wear a mask (kindergarten students may wear a face shield instead) at all times when inside except when actively eating or drinking unless provided with a signed statement from a medical professional
- When outside and 6 feet apart masks may be removed as staff directs
- Mask breaks will be scheduled throughout the day
- Education will be provided on the importance and proper use of masks for staff, students, and families

3. Screening & School Exclusion

- All student and staff temperatures will be checked upon entering the building or on the bus
- A temperature of greater than 100.0 will result in being sent home
- A student or staff member sent home with COVID-19 symptoms will be able to return to school after meeting the requirements set by our local health department
- Parents will provide an assurance for daily temperature and symptom checks

4. Contact Tracing

- The local health department will notify us if there is a positive case or contact that impacts our school district. The district will work with the local health department to assist with any contact tracing specific to our schools.
- During the time of quarantine or other COVID-19 restrictions students or staff are not permitted to attend school or school events whether home or away

5. Sanitation & Environment Standards

- Daily cleaning and disinfecting system and logs kept by custodial staff
- System for cleaning and sanitizing has been developed for between class changes
- HVAC filters will be replaced more frequently
- Protocols have been developed for cleaning and disinfecting high touch areas
- Hand and surface cleaning supplies will be readily available to staff
- Hand sanitizer will be available in every classroom and students will be expected to use it as they enter and leave classrooms

6. Food Service

- Students will eat in designated areas and will be served breakfast and lunch
- Students will be provided meal choices
- Students will have the ability to pick up meals when on distance learning or virtual learning options (More information can be found at (<https://www.montgomery.kyschools.us/Content2/mealservice>))

7. Transportation

- All temperatures will be checked on the bus
- Buses will be sanitized after every route
- All buses will have assigned seats based on pick-up and drop-off order and households will sit together
